

Solar Bonus Scheme Tariff Request

Under the legislation for the Queensland Government Solar Bonus Scheme, a change to the electricity account name may impact your eligibility for the 44 cents per kilowatt hour (c/kWh) feed-in tariff, unless an exception applies.

Note: If you rent or sell your premises and the account name is changed, you are no longer eligible for the Solar Bonus Scheme.

If you believe that Ergon Energy has incorrectly removed the 44c/kWh feed-in tariff please fill in this form. You can then email it to: solarreview@ergon.com.au Or post it to: Solar Review Team, GPO Box 1461 Brisbane QLD 4001 along with supporting documentation as detailed below.

Completion of this form does not automatically guarantee re-allocation of the 44c/kWh feed-in tariff, which may only be reinstated at Ergon Energy's absolute discretion.
